Mental Health Clinicians

The Behavioral Wellness Group, a respected, independent private practice in Lake County, Ohio, is excited to announce a search for **independently licensed Psychologists/Clinical Counselors/Social Workers** to join our team. Our staff sees adults, adolescents and young children for individual, couples, intensive group therapy, medication management and psychological testing, allowing flexibility in clientele.

We are looking for clinicians who primarily prefer to work with **Children and Adolescents** as well as those preferring to see **Couples and Families**. We are currently working remotely due to COVID but will transition back into the office for in-person sessions at some point in the future. We are currently accepting applications for both remote and in-person positions.

We are looking for team players who enjoy a comfortable, professional atmosphere that encourages growth. BWG offers a competitive percentage of collections, a profile on our website, training on our electronic medical records system, electronic scheduling and billing programs, and a knowledgeable support staff

BWG is a free standing, private mental health practice. Our programs are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and certified by the Ohio Department of Mental Health and Addiction Services Additional practice details are available at

www.behavioralwellnessgroup.com.
