Seeking Masters Level Psychologists

The Behavioral Wellness Group, a respected, independent private practice in Lake County, Ohio, is excited to announce a search for **Master's Level Clinical or Counseling Psychologists** to join our team. Our staff sees adults, adolescents and young children for individual, couples, intensive group therapy, medication management and psychological testing, allowing flexibility in clientele.

We are looking for Psychologists who have experience with **Psychological Testing**. We pride ourselves on the provision of this service at BWG. We are working remotely for the time being due to COVID, but will transition back into the office for in-person sessions at some point in the future.

We are looking for team players who enjoy a comfortable, professional atmosphere that encourages growth. BWG offers a competitive percentage of collections, a personal profile on our website, training on our electronic medical records system, electronic scheduling and billing programs, and a knowledgeable support staff.

The ideal candidate will have a minimum of 1 year post-degree testing administration/scoring/report writing experience (e.g., WAIS-IV, WISC-V, MMPI, MCMI) or an equivalent of practicum placement experiences; clinical mental health therapy experience; located or willing to relocate to Ohio.

BWG is a free-standing, private mental health practice. Our programs are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and certified by the Ohio Department of Mental Health and Addiction Services. Additional details are available at www.behavioralwellnessgroup.com.
