PSYCHIATRISTS

"**The Behavioral Wellness Group**, a respected, independent private practice in Lake County, Ohio, is excited to announce a search for **Psychiatric Prescribers** to join our team. We are currently working remotely due to COVID but plan to transition back into the office for in-person sessions once it is deemed safe. We are currently accepting applications for both remote and in-person positions.

Populations served include adults and children with mood, anxiety, depressive, bipolar, dual diagnosis, substance abuse and personality disorders. Work involves assessing medical history and physiological, psychological, and/or behavioral factors to determine the cause of mental disorders; developing plans for psychiatric treatment and administering appropriate psychiatric measures. Full-time and part time opportunities available.

REQUIREMENTS

- Valid Ohio Medical License
- State of Ohio board certification/eligibility
- Certificate of Prescriptive Authority
- Valid Medicare provider number (If Serving that Population)
- Ability to communicate effectively
- Demonstrate working knowledge/previous application of the DSM and ICD-10 coding
- Ability to work independently in a private practice setting

SPECIFIC TASKS

- Examine, evaluate, diagnose and treat psychiatric disorders
- Obtain and evaluate data through interview techniques
- Prepare and review case histories
- Prescribe and evaluate effectiveness of a wide range of therapeutic measures
- Work collaboratively with a multidisciplinary staff
- Opportunity for involvement with any of our six Intensive Outpatient Programs
- Maintain accurate and current notes in the Electronic Health Record for all patients seen
- Optional additional financial incentives for collaborating with Mental Health Nurse Practitioners or Physician Assistants

We are looking for team players who enjoy a comfortable, professional atmosphere that encourages growth. BWG offers a competitive percentage of collections, knowledgeable support staff, and a personal profile on our website. Our prescribers use an electronic medical record system that incorporates scheduling and billing, as well as a user-friendly electronic prescribing program.

BWG is a free-standing mental health private practice. Our programs are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and certified by the Ohio Department Mental Health and Addiction Services. Additional practice details are available at www.behavioralwellnessgroup.com.
