PLEASE COMPLETE REVERSE SIDE

PROFESSIONAL SERVICES AGREEMENT

I understand that the effectiveness of mental health services depends on efforts of the patient as well as those of the practitioner (Clinician) and I promise to make my best effort to comply with these procedures. These best efforts will include open and honest discussion of my thoughts and feelings, as well as an effort to perform any exercises or homework assignments that may be recommended. I also agree to return, undamaged, any materials that have been loaned to me as part of the procedures and understand that I am liable for the cost of these materials. I understand that the effectiveness of the procedures cannot be guaranteed and that the Clinician has sole professional responsibility for all services provided.

I understand that regular attendance will produce the maximum benefits but that I am free to discontinue treatment at any time. If I decide to do so, I will notify the Clinician at least two weeks in advance so that effective planning for continued care can be implemented. I also agree to notify the Clinician at least 24 business hours in advance if I will be unable to attend any session. I understand that if I fail to make such notification, I may be charged for the full cost of the session, which will not be reimbursable by my insurance company. I agree to be responsible for these charges.

I understand that conversations with the Clinician will be of a confidential nature. I authorize my Clinician to discuss my treatment with other treatment providers to coordinate my care. I further understand that the Clinician, by law, must report actual or suspected child or elder abuse to the appropriate authorities. In addition, the Clinician has a legal responsibility to protect anyone that the patient may threaten with violence, harmful or dangerous actions (including those to myself) and may break the confidentiality of our communications if such a situation arises. I understand that the Clinician will make reasonable efforts to resolve these situations before breaking confidentiality. I also understand that in order to ensure patient confidentiality and privacy, electronic recording is strictly prohibited within any of The Behavioral Wellness Group's offices.

I understand that prescribed medication can only be provided in coordination with regular office visits, in order to provide me with safe and appropriate medical care, and that any urgent requests by me for medication refills without an office visit will incur a \$25 administrative fee, non-reimbursable by insurance.

My signature below indicates that I have agreed to these terms and have read and understand a "Notice of Privacy Practices" and a "Welcome to our Practice" informational flyer describing my rights and responsibilities as a patient or guardian.

FINANCIAL AGREEMENT

Patients are responsible for providing accurate information about their insurance benefits. Failure to complete this section or inaccurate information will make patients fully responsible for all charges. Patients are responsible for notifying The Behavioral Wellness Group of any changes in insurance within 30 days; otherwise, you will be responsible for payment in full. In most cases, patients are responsible for making the initial phone call to their insurance companies. The Behavioral Wellness Group does not bill secondary insurance, including Medicaid and its subsidiaries.

I request that The Behavioral Wellness Group, as the agent for the Clinician, submit bills to the insurance company that I have listed above on this form, and I grant permission to the Clinician and The Behavioral Wellness Group to release such confidential information as is necessary to obtain payment from the insurance company. In the event that my insurance company fails to observe Ohio prompt pay standards or otherwise fails to adhere to relevant rules and standards, I grant permission to The Behavioral Wellness Group to share information related to my insurance claim with the Ohio Department of Insurance.

I understand that I am financially responsible for the cost of the mental health services to me (my child) and for any portion of the fees not reimbursed or covered by my health insurance. I understand that my copay is due at time of service, otherwise a \$10 billing fee will be charged each time for any bill that is sent if I have an outstanding patient balance. If my mental health care is provided under the terms and conditions of a managed mental health care program to which the Clinician is contracted, my financial responsibilities may be limited by the terms of that contract. I understand that my failure to pay these bills may result in collection procedures (including court proceedings) being taken against me by the Clinician or a collection agency contracted by the Clinician to collect these bills. I also understand that if my account is placed in collection procedures, neither I nor any other patient of The Behavioral Wellness Group for whom I am the guarantor will be able to schedule appointments with any other Behavioral Wellness Group clinician.

I understand that professional services will be rendered to me by _____ (Clinician) and that the fee for a 30-50 minute initial consultation session will be \$_____ and the fee for follow-up appointments will be \$_____ along with fees for any testing materials. I authorize the release of any medical information necessary to process my claim. Fees may be different for additional services such as psychological testing, legal consultation/testimony, report preparation, consultations with others on my behalf, phone/e-sessions etc. and will be explained to me if these services are necessary.

My signature below indicates that I have agreed to the above terms.

BWG MEDICAL SERVICES POLICIES AND PROCEDURES

PATIENT STATEMENT OF UNDERSTANDING

The choice to begin treatment is an important decision. Thank you for placing your confidence in BWG and your provider. In order to facilitate the process, we have created some guidelines below.

APPOINTMENTS: Initial appointments range from 60 to 120 minutes depending on the provider. Follow-up appointments range from 15 to 60 minutes.

MEDICATION MANAGEMENT: Medication may be prescribed as part of the treatment. Any expected emotional and physical effects will be explained. Please call Medical Services if you experience any unexpected changes. Services are occasionally provided in addition to the regularly scheduled medication appointments. The fees for these professional services range from \$25 to \$450.00 (please speak directly with your provider), depending on the service code.

- New patient (including Self pay) \$310.00 - \$450.00
- Follow-up (including Self pay) \$200.00 - \$330.00
- No Show/Late Cancel Fee \$45.00 - \$95.00
- Prescription Fee \$25.00 - \$30.00
- Paperwork Fee (depending on length/time) \$25.00 - \$50.00

All patients will be required to have a regularly scheduled visit with their prescriber, as determined by the prescriber. Please ask if you have any questions regarding the fees listed above.

The Behavioral Wellness Group will ensure that all patients receive optimal pharmacotherapy services and monitoring of **controlled substances**.

You will always be provided with prescriptions for enough medication to last until your next appointment. If an error appears to have been made, please contact the office **directly** as electronic prescription requests from pharmacies and refill requests called in/faxed by a pharmacy will not be honored.

If those regularly scheduled visits are not kept and a medication refill is called in to BWG Medical Services:

- o that medication will be refilled for a fee of \$25 - \$30
- o a follow-up appointment will be scheduled
- o only sufficient medication to last until that follow-up appointment will be provided
- o please note that refills include any/all medications **EXCEPT** controlled substances, as these will **NOT** be refilled between office visits

NO SHOWS/LATE CANCELLATIONS:

A full 24 business hours' notice is required for cancellations

If you have an emergency and must cancel, please speak with your prescriber directly about the possibility of negating the charge prior to the cancellation. THE PATIENT, NOT THE INSURANCE COMPANY, WILL BE RESPONSIBLE FOR PAYING FOR APPOINTMENTS CANCELED WITH LESS THAN 24 BUSINESS HOURS NOTICE. By signing this Patient Statement of Understanding, you agree to pay for any missed appointments via check or credit card.

TELEPHONE HOURS: Medical Services office hours are 9:00am to 4:00pm, Monday through Thursday and 9:00am to 3:30pm Fridays. Voice mail will be returned as soon as possible, generally within **72 business hours**.

EMERGENCIES: For extreme emergencies such as self-destructive intent, alcohol or drug intoxication, severe medication reactions or loss of contact with reality, **call 911 or go to the nearest emergency room immediately.**

URGENT ISSUES: For after-hours urgent issues such as medication side effects, please leave a message for Medical Services. Medication refills are not considered urgent.

SPECIAL TESTS: Special tests are sometimes necessary to help diagnose psychological disorders or to help determine whether an emotional problem has an underlying medical cause. Also, the use of certain medications requires periodic blood tests.

“PRIVATE PAY” PATIENTS: Fees are generally based upon the length of time of a session. While some insurance companies reimburse the patient for psychiatric care, the payment of the bill is the patient's responsibility. **Full payment is required at the time of each appointment.** If you have insurance that will reimburse you, submit a copy of your receipt and bill to the insurance company for reimbursement.

PAYMENTS / “CONTRACTED” INSURANCE: If we are a contracted provider with your insurance carrier, BWG staff will submit a claim for services and accept payment by that company. Any co-payment, contracted deductible, or coinsurance that is the insured's responsibility must be paid at the time of service.

BILLING: For billing issues, email katlong@behavioralwellnessgroup.com.

CONFIDENTIALITY: Your accumulated medical records are confidential except under special legal circumstances. Information contained in them will not be released to anyone without written consent from you, the patient. Please ask if you have any questions.

TERMINATION OF CARE: Termination of care may occur by mutual consent, completion of treatment, or due to failure to keep appointments or pay for services. If you do not contact your prescriber for more than three months and make no follow-up appointments, your care will be terminated unless you have made verbal arrangements for continuation of your treatment with your BWG prescriber.

CONFIDENTIALITY: To protect your confidentiality, if our paths cross outside of this office, your provider will not initiate contact with you.

I have read and understand the above policy:

AUTHORIZATION FOR ELECTRONIC COMMUNICATION

_____ consent to engage in telehealth services.
(Name of client)

I understand that "telehealth" includes services provided by all Behavioral Wellness Group providers and staff involved in my care. This may include consultation, treatment, transfer of medical data, emails, and telephone conversations using HIPAA-compliant interactive audio, video, and/or data communications.

I also understand that telehealth may involve the communication of my medical and/or mental health information both orally and visually.

I understand that I have the following rights with respect to telehealth:

1. I have the right to withhold or withdraw consent at any time without affecting my right to future care or treatment.
2. The laws that protect the confidentiality of my medical information also apply to telehealth. As such, I understand that the information disclosed by me during the course of treatment is generally confidential. However, there are mandatory and permissive exceptions to confidentiality which include:
 - a. Disclosure of child abuse, neglect or endangerment
 - b. Disclosure of elder abuse, neglect or endangerment
 - c. Disclosure of imminent danger to myself or toward others
3. I understand that there are risks and consequences from telehealth, including, but not limited to, the possibility that the transmission of my information could be disrupted or distorted by technical failures. Other unlikely events may include interruptions by unauthorized people despite reasonable efforts taken by The Behavioral Wellness Group. Should this occur, The Behavioral Wellness Group has an emergency plan in place to abruptly end the session to protect the therapeutic relationship. I may then choose to have telephonic communication if the session was by audiovisual means.
4. I will make every effort to be as timely as possible for my telehealth appointment. I understand that my provider will make every effort to start as timely as possible and that at times, delays will be inevitable, especially given unexpected emergent situations. In the event that my provider is not present within 15 minutes of my telehealth appointment, they will make every effort to get a message to me that they are running late if at all possible. In the event that I am not present within 15 minutes of my telehealth appointment, I will make every effort to get a message to my provider that I am running late if at all possible.
5. Should services be disrupted, The Behavioral Wellness Group will attempt to contact you at the earliest convenience possible. Also, further appropriateness of telehealth sessions will be discussed.
6. My Clinician will respond to communications within 48 business hours.
7. For other communication, it is requested that treatment services and related issues be limited to face-to-face visits, telehealth and video chatting only and that sessions are scheduled in advance. Emails, faxes, texts, etc. may be used for administrative purposes and simple questions only.
8. I understand that if The Behavioral Wellness Group believes I would be better served by another form of treatment services (e.g. face-to-face), I will be referred to a professional in my practice or in the geographical area that can provide such services. I understand that an appointment may not be immediately available. Also, I understand that there are potential risks and benefits associated with any form of treatment services and that my condition may or may not improve. Thus, results cannot be guaranteed/assured.

9. Insurance coverage for telehealth varies. **It is important to ask your insurance company ahead of time** about whether they would cover telehealth services in your case. Our billing specialist can help with this. If you are paying for telehealth sessions "out-of-pocket," The Behavioral Wellness Group's policy is that out-of-pocket services be paid either before or at the time of service.
10. My Provider may utilize alternative means of communication in the following circumstances: Billing and Administrative issues which will be handled by Provider along with other BWG Staff such as Office and Medical Assistants and Billing Specialist using means of communication most appropriate at the time.
11. I accept that Telehealth does not provide emergency services. During the evaluation, an emergency response plan will be discussed. If I am experiencing an emergency situation, including but not limited to a self-harming circumstance, I agree to call 911, 440-953-TALK / text NAMI to 741-741 or proceed to my nearest emergency room for immediate help. This may be done for me involuntarily if my Provider believes I am of imminent harm to myself or others.
12. I understand that I am responsible for:
 - a. Providing necessary telecommunications equipment and internet access for my telehealth sessions
 - b. The information security on my computer
 - c. Arranging a location with sufficient lighting and privacy free from distractions or intrusions
13. I understand that I have a right to access my medical information and copies of medical records in accordance with HIPAA privacy rules and applicable state laws.
14. I will take precautions to ensure that my communications are directed only to my Provider or other appropriate individuals.
15. I understand that I will be informed of the identities of all people who are present during the telehealth session and informed of their purpose for attending the session.
16. I understand that my Provider may abruptly end the session if I am acting inappropriately.
17. I understand that BWG uses a HIPAA compliant "non-public facing" communications platform. BWG and my provider will make every effort to protect my privacy, and I understand that they will be harmless should my information be compromised as a result of something out of their control.
18. I understand that Audio/Visual telehealth sessions will be provided via HIPAA compliant connections through our HIPAA compliant EMR, or via the HIPAA compliant version of the platform itself.
19. My communications exchange with my Provider will be stored using Therapy Appointment, a HIPAA compliant software program.
20. I understand that this Telehealth Informed Consent is an addendum to our Standard Informed Consent and does not replace it in any manner. All aspects of that Standard Informed Consent shall remain in effect.
21. I understand that my Provider will reinforce the importance of compliance with all of the above by me, my Provider, BWG.
22. I understand that my telehealth provider will ask where I am located for the telehealth session and that the location will be documented in the session note.
23. In the event of an emergency, the name and number of my local hospital is listed below:

Name of Hospital Phone Number of Hospital

24. If I am not in my local area, the nearest hospital/phone number will be shared with my provider, and it will be documented in my session note.

I have read, understand, and agree to the information provided above.
